

## EASTER SERVICE AT LIHUE CHURCH

The Easter service at the Lihue Union Church Sunday morning was more than usually fine, especially in musical and floral attractions suitable to the occasion, while the congregation was the largest in many years, including some who do not often grace the inside of a church.

Specially enjoyable, in the musical program, were solos by Mrs. W. H. Rice and Miss Mellicent Waterhouse, a very delicate quartet by the Lauae Club, and a fine anthem by the church choir. At the close of the service there was a very impressive baptism service, which added much to the interest of the occasion.

The decoration of the church, which was unusually profuse and effective, was done by Mr. De Lacey, Miss Silburn Purvis and Mrs. Chas. Wilcox.

A special collection was taken for the Hawaiian Board, which amounted to \$62.80.

#### Bumping The Bumps on The Road at Hanamau

EDITOR GARDEN ISLAND:

What use are county ordinances? Where are the police? Where is public opinion? Why should the public highways in the Lihue district be obstructed with portable railroad crossings, that are a menace to the travelling public, when in other districts the plantations have obeyed the ordinance, and put in level crossings, laid in cement?

These are some of the questions that enter ones mind who has recently travelled along the county highway beyond Hanamau, and on rounding the turn after crossing the little concrete bridge beyond the mill, suddenly sees in front of the machine a mound of earth across the road and before the machine can be slowed down, is bounced up till his head hits the top. This condition is one that has existed for weeks, and is gradually getting worse; as the mound of earth seems to be getting higher and higher. Perhaps some of your readers can answer some or all of these questions.

Yours truly  
ENQUIRER.

Dr. Derby will go to Waimea Monday, May 1, on a professional visit and those wishing dental work there are asked to make appointments early.
